Who are you outside the classroom? Who do you want to be? Hart House is your on-campus connection to your passions, both discovered and yet to be found.

Hart House welcomes all students from University of Toronto’s three campuses, 365 days a year. Attend an event that interests you, get some exercise, learn a new skill, join a club or just grab some friends and join us for lunch or a study break.

Although we are located on St. George campus, we contribute a variety of events, activities and services to each campus; if you can’t come to us, we’ll bring Hart House to you.
