Services

A dedicated wedding coordinator will be with you every step of the way to help you create the perfect day or evening for you and your guests.

Your coordinator will take the time to guide you through the planning process, helping you with proper room selection, itinerary, menu choices, audio visual options, staging, staffing needs and budget.

There are endless possibilities for your Hart House wedding, from an elegant dinner to a canape and champagne reception.

Your wedding coordinator will present all of the options available. Your coordinator will begin by accompanying you on a tour of the building as you select the room and ambiance for your dream wedding and then work with you on personalized menus and details to make for a perfect day. Finally, your coordinator will work with you to finalize the itinerary for your big day and will be there to watch you head down the aisle.

Every Hart House wedding includes:

Room Selection and Personal Diagrams

Every couple has a different vision for their wedding day, and Hart House prides itself on the variety of spaces available to suit any style and guest count, from 50 guests to 250. Your wedding coordinator will assist you in the selection of the perfect space by showing you each option and discussing room arrangement possibilities. You will also receive a personalized diagram of your room set-up to allow for seating arrangement planning.

Hart House will oversee the details of your wedding day and will ensure that all arrangements come together to make the day as magical, and stress-free, as possible.

Audio Visual Support

State-of-the-art AV equipment is provided for your ceremony at no additional cost. Your wedding coordinator will liaise with your music vendor to coordinate the technical aspects of the building. Additional equipment can be arranged with your wedding coordinator if you choose to provide music yourself.

Hart House is committed to ensuring that your wedding day runs smoothly and ensures adequate staffing is supplied. This includes bartenders, servers, cooks, maintenance staff and technical staff. Additionally, wedding coordinators are on site for all Hart House weddings to act as a liaison and to ensure that all aspects of the day are perfect.

Room Preparation and Décor

When people select Hart House as their wedding venue, they already benefit from the spectacular architecture and rich history that create a unique ambiance and atmosphere. Many of the rooms have working fireplaces, and each Hart House event is provided with tables and seating, beautiful white damask table linens, elegant tableware, votive candles and lounge-style seating spaces. For those that wish to enhance this experience, opulent linens, lush floral arrangements and additional personal touches can be discussed with your coordinator and arranged through an external supplier.

Catering

Food has been an important part of Hart House since its inception and our reputation is international.

Using the finest ingredients and his culinary genius, Chef Marco Tucci will prepare a menu that will impress you and your guests. Lunches, dinners, strolling cocktail receptions, BBQs, buffets, and late night stations are all created to be seasonal, fresh, cosmopolitan and absolutely delicious. Paired with our chef-selected wine list and specialty cocktails, your wedding will be a culinary experience to be savored.

Our large in-house experienced wait staff will provide you with exceptional service. They are knowledgeable, friendly and Hart House trained to deliver the finest dining experience.

Hart House couples are invited to a complimentary group tasting to guide them through menu selection and creation. Hosted by your

wedding coordinator, a variety of menu options and service styles will be explored. Couples will sample a selection of seasonal salads, soups, appetizers, mains and desserts, with wine pairings. Couples can either choose from pre-set dining options, or use this opportunity to select a customized menu for their celebratory meal.

Catering Rules and Minimums

Hart House requires that all food and beverages served at events hosted on the premises to be provided by the Hart House catering department, with the exception of wedding cakes and guest favors, if applicable.

Some menu choices require a minimum guest count, which can be provided by your coordinator.
